June 11, 2010

SUBJECT: Notification of Qualification, QPL Product Assurance Level, FSC 5998, MIL-PRF-55110G

Mr. Hillel Dzigan
 Eltek Limited
 PO BOX 159
 Sgoola Industrial Park
 Petach-Tikva, 49101
 Israel

Dear Mr. Dzigan:

Qualification is granted to Department of Defense Performance Specification MIL-PRF-55110G for the QPL product assurance level (Appendix A). The material and classification indicated below shall be listed on Qualified Products List QPL-55110. The effective date of this qualification is June 11, 2010.

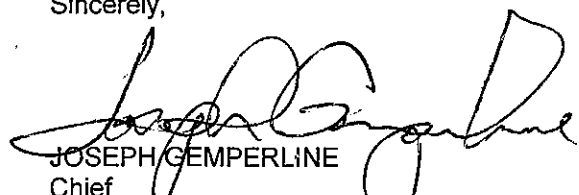

Plant Location: SAME AS ABOVE. CAGE Code: S4451

RETENTION REPORTING PERIOD	MATERIAL AND CLASSIFICATION	QPL TEST REFERENCE EXPIRATION DATE (MM/DD/YY)
April 1 through March 31	Type 3, GI material	55110-IL0509-061113

Eltek shall submit retention reports to the National Quality Assurance Representative for review. A copy shall be submitted to this Center by July 1 or loss of qualification may result. The report shall be based on the reporting period above and shall include data from all products built under the current and previous qualification reference numbers. The report must also include the group B raw data along with a completed DSCC Form 36W for each qualification reference number listed on QPL-55110. If the manufacturer has no certified production during the reporting period, the manufacturer must indicate this on the completed DSCC Form 36W. DSCC reserves the right to request evidence of the manufacturer's capability to produce QPL printed wiring boards as stipulated by paragraph A.4.5.5 of MIL-PRF-55110G.

Manufacturers are required to inform DSCC-VQE within 3 business days if a failure occurs during group B testing, if production of these products is discontinued, or prior to issuance of a GIDEP Alert and/or Problem Advisory on product represented by this qualification. This qualification shall expire 3 years from the effective date cited above, as indicated by the last 6 digits of the qualification reference number (mmddy). A stop shipment/stop production is effective on the qualification expiration date unless approval is granted by DSCC-VQE to complete existing contracts.

Sincerely,

 JOSEPH GEMPERLINE
 Chief
 Sourcing and Qualifications Division
