Petach-Tikva, 49101 Israel

Dear Mr. Dzigan:

Re: Notification of Qualification, QPL Product Assurance Level, MIL-P-50884; FSC 5998;
CAGE Code S4451; VQ(VQE-13-026858) / CN040372

Qualification is granted to the QPL product assurance level (Appendix A) of Department of Defense Performance Specification MIL-P-50884E, Amendment 3. The type and base material indicated below shall be listed on Qualified Products List QPL-50884. The effective date of this qualification is August 6, 2013. Plant location: same as above.

RETENTION REPORTING PERIOD	PRINTED BOARD TYPE AND BASE MATERIAL	QUALIFICATION REFERENCE NUMBER
April 1 through March 31	Type 4, Adhesiveless Material	50884-3885-080616

Qualification is limited to the conductor surface finishes of HASL and ENIG, LPI solder mask, rework grade R, and installation use B. This information was outlined in the supplemental information sheet to the DSCC 19W.

A retention report in accordance with paragraph A.4.5.6 of MIL-P-50884E, Amendment 3 shall be submitted to this Center by July 1 of each year or loss of qualification may result. The report shall be based on the reporting period above and shall include data from all product built under the current and previous qualification reference numbers, as applicable. The report must also include the group B and Group C raw data along with a completed DLA Land and Maritime Form 36W for each qualification reference number listed on QPL-50884. If the manufacturer has no certified production in the reporting period, the manufacturer must indicate this on the completed DLA Land and Maritime Form 36W. DLA Land and Maritime reserves the right to request evidence of the manufacturer's capability to produce QPL printed wiring boards as stipulated by paragraph A.4.5.6.2 of MIL-P-50884E, Amendment 3.

Manufacturers are required to inform DLA Land and Maritime-VQE within 3 business days if a failure occurs during group B testing, if production of these products is discontinued, or prior to issuance of a GIDEP Alert and/or Problem Advisory on product represented by this qualification. This qualification shall expire 3 years from the effective date cited above, as indicated by the last 6 digits of the qualification reference number (mmddy). A stop shipment/stop production is effective on the qualification expiration date unless approval is granted by DLA Land and Maritime-VQE to complete existing contracts. Should you have questions, please contact Mr. Robert Puckett at 614-692-0625 or vqe.rp@dla.mil.

Sincerely,

JOSEPH GEMPERLINE
